CALIFORNIA MAIN STREET
Application Identification Sheet

APPLICANT CITY: _____ Date: _____

Name of Proposed Main Street Project Area:

City Manager: _____ Phone: _____

Contact Person: _____ Title: _____

Address: _____

Phone: _____ Fax: _____

FUNDING COMMITMENT:

The city shall politically support the Main Street program for a minimum of three years and understands that after this initial start-up period one purpose of the program is to set up a permanent management system for the project area. The city understands that Main Street is a long term public-private partnership and that local government financial support to the program for at least one year and preferably three years and beyond is a critical component of the local program's success.

Funding commitment for Year One of \$ _____ ; additional funding for Year Two of \$ _____ and, for Year Three of \$ _____.

LOCAL ASSURANCES AND AUTHORIZATION:

As the representative of the City of _____, I hereby certify that the information in this application is accurate. I also authorize this application to be submitted to the California Trade and Commerce Agency for consideration of designation as a *Certified California Main Street Community*. This application is made with the specific goals of adopting the Main Street approach as a permanent revitalization and management tool and performing as a model to other California cities by revitalizing the downtown business district within the context of preserving and rehabilitating its historic and culturally significant buildings.
